

THE VALUE OF A BADGE

A Badge in Cub Scouting is a piece of cloth. If you were to try to sell it, it would not bring much money. The real value of a badge is what it represents...the things you learned to earn it. The fun you had in doing so. The friends you made. The memories you will take into adulthood. Your Badge is a symbol that says you want to be the best that you can be...that will be the foundation you will stand on as a man.

This is the true value of your Badge. Wear it proudly. To all our scouts, congratulations on your new ranks!

HISTORY OF THE BLUE & GOLD BANQUET

Our Blue & Gold Banquet is a birthday celebration for Cub Scouting. It is held in the month of February in packs all over for a lot of reasons. Boy Scouts of America was incorporated on February 8, 1910 and chartered by our Congress in 1916. Cub scouting was started in 1930. Lord Baden-Powell who founded scouting was born on February 22.

We call tonight the Blue & Gold banquet because these are the Cub Scout colors. The blue stands for the sky above us. It stands for truth, spirituality and loyalty. The gold stands for the warm sunlight, good cheer and happiness. May the Cub Scout colors be with you tonight and through all your years in scouting. Enjoy our birthday celebration!
